Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Monday 06 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy for many today but becoming sunnier and warmer tomorrow.

Today:
Any patchy light rain from overnight fading away during the morning. Rather cloudy otherwise, with bright spells breaking through at times in the afternoon. Feeling warm to very warm. Maximum temperature 24 deg C (75 deg F).

Tonight:
A fine end to the day with clear skies for some. Further clear spells over many areas through the night, bringing a risk of some fog patches. Minimum temperature 12 deg C (54 deg F).

Tuesday:
A bright start for many on Tuesday with any fog patches soon clearing. Feeling very warm to locally hot with prolonged sunny spells. Maximum temperature 28 deg C (82 deg F).

Outlook for Wednesday to Friday:
Initially dry with sunny spells on Wednesday and feeling very warm, but some showers possible later. Heavy showers on Thursday and Friday with a risk of thunder. Turning cooler.
